— THE BASICS

How it works in 3 steps

Fund your account during the promotion, earn a bonus on top, then trade to unlock it.

1

Deposit

Fund an eligible account between 1 July and 31 December 2026.
Minimum USD 300 for the first deposit.

2

Earn your bonus

Get 40% on your first qualifying deposit, then 30% on every deposit after that — as trading credit.

3

Trade to unlock

Trade the required number of lots and the bonus is yours to keep. The more you earn, the less trading each unlock takes.

Two ways to earn

PHASE 1 · FIRST DEPOSIT

40%

On your first qualifying deposit

- ◆ Minimum deposit USD 300
- ◆ Up to USD 4,000 bonus
- ◆ Available once during the promotion

PHASE 2 · EVERY DEPOSIT AFTER

30%

On each subsequent qualifying deposit

- ◆ Minimum deposit USD 100
- ◆ No limit on the number of deposits
- ◆ Up to USD 6,000 bonus in total

USD 10,000 The most bonus any one client can earn across the whole promotion.

Heads up: if your first deposit is below USD 300, you won't qualify for the 40% bonus — later deposits will earn the 30% rate instead.

— UNLOCKING YOUR BONUS

Trade a few lots to release it

Your bonus is trading credit. To unlock it you trade a number of lots, worked out as a small percentage of your deposit. That percentage drops as your total bonus grows — so each new unlock takes less trading.

TIER	TOTAL BONUS EARNED	TRADING TO UNLOCK NEXT BONUS
1	USD 0 - 1,500	1.00%
2	USD 1,501 - 5,000	0.70%
3	USD 5,001 - 8,000	0.50%
4	USD 8,001 - 10,000	0.30%

10,000 × 0.70%

Example. A USD 10,000 deposit while you’re in Tier 2 (0.70%) means trading **70 lots** to unlock — the maximum lot requirement.

Counts toward your lots: Forex, Precious Metals, and Energy.
