The Phase 1 Bonus is granted at a rate of forty percent (40%) on a minimum Qualifying Deposit of USD 300, subject to a maximum bonus of USD 4,000 per deposit. Where the Client's first deposit is below USD 300, the Client permanently forfeits eligibility for the 40% bonus, and any subsequent Qualifying Deposit shall instead receive the applicable Phase 2 Bonus.

7.2 Phase 2 — Subsequent Qualifying Deposits

The Phase 2 Bonus applies to every subsequent Qualifying Deposit of at least USD 100 and is granted at a rate of thirty percent (30%). There is no limit on the number of qualifying deposits; however, the total Phase 2 Bonus shall not exceed an aggregate of USD 6,000.

7.3 Maximum Promotional Credit

The maximum total Promotional Credit available per Client throughout the Campaign Period shall not exceed USD 10,000.

7.4 Bonus Crediting

Bonuses shall be credited to the Client's Eligible Account within five (5) business days of deposit approval, subject to compliance verification.

7.5 Non-Qualifying Transactions

The following transactions shall not constitute Qualifying Deposits unless expressly approved by the Company: (a) Internal Transfer; (b) Wallet Transfer; (c) Credit Adjustment; (d) Balance Adjustment; (e) Rebate Credit; and (f) Partner Commission. IB Transfer eligibility shall be determined solely at the Company's discretion.

7.6 Deposit Approval

A deposit shall be deemed approved only when: (a) funds have been successfully credited into the trading account; (b) internal finance approval has been completed; and (c) compliance approval has been completed, including all applicable KYC, AML, CFT, and sanctions-screening reviews. Only approved deposits shall qualify for bonus calculation.

7.7 Conditions Precedent

Acceptance of the Promotion constitutes the Client's irrevocable acceptance of all conditions, requirements, and restrictions contained in these Terms.

08 Nature of Bonus

8.1 Trading Credit Only. All bonuses constitute non-withdrawable trading credit only and confer no property, ownership, or withdrawal rights.

8.2 Disclaimers. Bonuses do not constitute: (a) cash or liquid funds; (b) guaranteed returns or profit; (c) capital protection; (d) investment advice or recommendations; (e) performance-enhancement guarantees; or (f) any right to withdraw bonus amounts.

8.3 Forfeiture. All accrued bonuses shall be immediately forfeited upon account termination, suspension, closure, or expiration of the Campaign Period, without notice or compensation to the Client.

8.4 Bonus Expiration. Promotional Credit shall automatically expire upon the earliest occurrence of any of the following: (a) expiration of the Campaign Period; (b) account closure; (c) complete withdrawal of the account balance; (d) bonus cancellation; or (e) classification of the account as a Dormant / Inactive Account under the Company's Dormant / Inactive Account Policy. Where Promotional Credit is cancelled or expires, all associated promotional benefits shall immediately cease.

09 Trading Rules

9.1 The maximum cumulative trading volume eligible under this Promotion shall be limited to seventy (70) Standard Lots.

9.2 The following products shall be eligible for the calculation of trading volume under this Promotion: Forex, Precious Metals, and Energy.

9.3 Trading volume shall be calculated using Standard Lots only.

9.4 The Company reserves the right to reject, adjust, or terminate any bonus where trading volume exceeds the prescribed promotional limit or where eligible products are used otherwise than for bona fide trading.

9.5 Bonus Unlocking — Lot Requirement

Each bonus shall unlock only once the Client has traded the required number of Standard Lots. The number of Standard Lots required depends on the Client's applicable Tier, which is determined by the total bonus earned by the Client. The Tier steps down as the total bonus earned grows, such that a higher total bonus earned results in a lower trading requirement to unlock each subsequent bonus.

9.6 Trading Tiers

The applicable Tier and trading requirement shall be determined in accordance with the following table. The percentage shown is multiplied by your next deposit to give the lots you must trade.

TIER	TOTAL BONUS EARNED	TRADING TO UNLOCK NEXT BONUS
1	USD 0 – 1,500	**1.00%**
2	USD 1,501 – 5,000	**0.70%**
3	USD 5,001 – 8,000	**0.50%**
4	USD 8,001 – 10,000	**0.30%**

Example. In Tier 2 (0.70%), a USD 10,000 deposit needs 70 lots (10,000 × 0.70%).

9.7 Calculation of Lot Requirement

The percentage shown for the applicable Tier shall be multiplied by the Client's next deposit to determine the number of Standard Lots that must be traded in order to unlock the corresponding bonus. By way of illustration, a Client in Tier 2 (0.70%) who makes a deposit of USD 10,000 must trade seventy (70) Standard Lots (USD 10,000 × 0.70%).

10 Bonus Calculation Examples

10.1 Illustrative examples of bonus calculation are set out in Appendix A to these Terms. Such examples are provided for illustration only, do not form part of the binding obligations of the Company, and shall not be construed as a guarantee of any bonus, return, or outcome.

10.2 In the event of any inconsistency between an example and the substantive provisions of these Terms, the substantive provisions shall prevail.

12.6 Margin Impact. Clients acknowledge and expressly accept that, upon cancellation or removal of Promotional Credit: (a) Equity may decrease; (b) Free Margin may decrease; (c) Margin Level may decrease; (d) a Margin Call may occur; and (e) a Stop Out may occur. The Company shall bear no liability for any trading losses resulting from such adjustments.

12.7 No Liability. The Company shall not be liable for any loss, damage, or opportunity cost arising from withdrawal delays, denials, holds, or suspensions undertaken in compliance with applicable law.

13 Dormant / Inactive Accounts

13.1 Where an Eligible Account becomes a Dormant / Inactive Account under the Company's Dormant / Inactive Account Policy, any Promotional Credit associated with that account shall be cancelled and forfeited, and all associated promotional benefits shall immediately cease.
